

tween India and Kuwait have been inoperative. All efforts are being made to restore the communication links.

4. A Special Cell has been opened in the Ministry of External Affairs to receive enquiries regarding the welfare of Indian nationals in Kuwait from their relatives and friends. We have already received several hundred such enquiries and attempts are being made to convey them to our Ambassador in Kuwait *via* Baghdad so that he can establish contact with the persons concerned and reassure us of their safety. Several of the enquiries related to Indian nationals on the British Airways flight which landed in Kuwait shortly before the airport was closed and from which the passengers and crew were off-loaded. According to latest information from Iraqi authorities, the passengers and crew have been lodged in a hotel in Kuwait pending resumption of flights which will enable them to leave. British Airways conveyed to us yesterday afternoon that the passengers have been taken by road from Kuwait to Baghdad. We have asked our Ambassador in Baghdad to check on this.

5. I am assure the House that the Government is doing everything possible to ensure the safety and welfare of Indians in Kuwait. The anxiety and concern of their kith and kin in India is naturally shared by all of us in the House.

#### (II) **Development In Pakistan**

THE MINISTER OF EXTERNAL AFFAIRS (SHRI I.K. GUJRAL): Sir, I beg to lay on the Table a statement regarding developments in Pakistan. (*Interruptions*)

#### **STATEMENT**

As the Honourable Members are aware, the President of Pakistan has dissolved the National Assembly and dismissed the duly elected Government of Pakistan headed by Mohterama Benazir Bhutto. This came as a surprise to us, particularly when there was no indication that she had lost her majority in the National Assembly. A Caretaker Prime

Minister has been sworn in. Provincial Assembly have also been dissolved and Caretaker Chief Ministers appointed. A state of emergency has been declared. We have noted the announcement that fresh elections will be held in October, 1990.

Developments in Pakistan are the internal affairs of that country. However, experience shows that shocks of this nature anywhere put democracy under severe strain. We sincerely hope that there will be no discontinuity or setback to the democratic process in Pakistan and that peoples' will would prevail.

We have nothing but good will for the people of Pakistan. We also support a stable Pakistan. We have always worked towards building a relationship of cooperation and good-neighborliness with this country. Our efforts have continued despite severe provocations from Pakistan, including support for terrorism and subversion directed against India. We believe that a friendly, constructive and cooperative relationship will not only benefit the peoples of our two countries, but will also contribute to peace and stability in the region.
