#### MATTERS UNDER RULE 377

[English]

#### (I) Need to provide financial assistance to Orissa for organising cultural activities

SHRIMATI JAYANTI PATNAIK (Cuttack): Every district in the state of Orissa has some speciality in the field of performing arts. The State Government is organising annual dance festival in each district headquarters, but the provision of adequate financial assistance to the relevant institutions and group of artistes has not become possible due to constraint of resources. The State has suffered a huge loss during 1987 due to an unprecedented drought and is not in a position to give assistance to such artistes. So it should be the main endeavour of the Central Government to provide adequate central assistance to promote art and culture of the State of Orissa.

As such, I demand that the Government of India should provide adequate financial assistance to the state of Orissa to orga-

nise Chhau Dance Festival and other cultural activities in the State.

#### (II) Demand for loans at subsidised rates to farmers of Rajasthan for installing tubewells

SHRI BIRBAL (Ganganagar): Mr. Speaker, Sir, I beg to raise a matter under rule 377 in the House.

Due to shortage of water in Pong Dam, water in the branches of Indira Canal is available for 3 days only in 32 days. Only drinking water is being made available from these canals. The farmers of this area are very much distressed over this problem and they are experiencing difficulties in sowing green fodder. The Government should, therefore, make arrangements to run the canals at least throughout the week so that the farmers could sow fodder for their cattle.

The farmers are sinking thousands of tubewells in the first stage area of the Indira Canal and these tubewells are working well in the entire belt. I, therefore, demand from the Government to grant loans to the farmers at subsidised rates for installing tubewells so that small farmers also could sink tubewells in their land. Besides, People belonging to areas under Gang Canal, Bhakara Dam and Indira Canal may be provided electricity connections on priority basis.

#### (III) Need to transmit Malayalam programmes from all T.V. stations in Kerala

\*SHRI V.S. VIJAYARAGHAVAN (Palghat): There is a long standing demand from Kerala that facilities for transmission of Malayalam programmes from Trivandrum T.V. centre should be provided from all T.V. stations in Kerala. But so far, no steps have been taken in this regard.
