

SHRI SYED SHAHABUDDIN (Kishanganj): The following items may be included in the next week's agenda for discussion:—

(1) Rising discontent and sense of insecurity among the religious ethnic and linguistic minorities of the country is a matter of national concern. The annual reports of the Commission for Linguistic Minorities and the annual reports of the Minorities Commission have not been discussed in this House for years. Nor has any report been submitted by the Government on the implementation and the achievements of the P.M.'s 15-Point programme for the Welfare of the Minorities. The Gopal Singh Panel Report on the Minorities has not yet been tabled.

(2) No progress has been made for the implementation of the Mandal Commission's recommendations which have been under consideration for a decade. This has impeded the progress towards social justice and participatory democracy. The other backward classes are demanding due share in administration and in higher education.
