12 20 hrs.

#### MATTERS UNDER RULE 377

[Translation]

(i) Need to open a Rural University in Bihar during the Seventh Five Year Plan.

PROF. CHANDRA BHANU DEVI (Balia) : There is a proposal for setting up five rural universities during the Seventh Five Year Plan. Besides, there is a scheme for the upgradation of the existing five rural universities. It is estimated that about Rs. 20 crores will be spent on it. While briefing the Press about it, a member of the University Grants Commission has recently said that one of these universities will be established at Sewagram in Wardha.

I would urge the hon, Minister of Education to set up a rural university in Bihar, because Bihar is predominantly an agricultural State and also most of its people live in the villages.
