

the presence of the SP and RDO. This attack by police on me points to a very serious issue. When the representatives of the people seek to find solution to their problems through democratic means, if the police beat them brutally it would only destroy democracy.

(xi) Demand for ensuring equal price of cane to all cane growers in Uttar Pradesh

SHRI RAM NAGINA MISHRA (Salem-pur): Mr. Deputy Speaker, Sir, most of the Sugar Mills are found in Uttar Pradesh and the Government of Uttar Pradesh has divided them in to three categories. For quite sometime the price of sugar-cane in Western and Central Uttar Pradesh has been more by Re. one than in Eastern U.P. which is, to my mind, not justified. Last year the difference was of 50 paise. This was an injustice to the farmers of Eastern U.P., because the recovery in Sugar Mills of Eastern U.P. for the last three years has been more than that in mills of Western and Central Uttar Pradesh. This is also true that some years ago, the recovery in mills of Western and Central U.P. used to be more than that

in mills of Eastern U.P. That is why the farmers of the Western and Central Uttar Pradesh used to get Re. one more, but during the last three years the cane-growers of Eastern U.P. have proved through hard labour, that the recovery of sugar from their cane has been more than that from the cane produced by the cane growers of Western and Central Uttar Pradesh. Even the figures of the last few years confirm that the recovery from the sugar cane produced by the farmers of Eastern U.P. has been more than that from the cane produced by the farmers of Western and Central U.P.

Now the recovery in sugar mills of Eastern U.P. is more than that in sugar mills of Western and Central Uttar Pradesh. This fact has even been acknowledged by the hon. Chief Minister of U.P. It is, therefore, quite unjustified to pay 50 paise less to the farmers of Eastern U.P.

So I request the hon. Minister to give up this discriminatory policy towards the farmers of Eastern Uttar Pradesh as early as possible and ensure a uniform price to all the farmers of the State.

(xii) Demand for Central Government's taking over Ramacast Limited, Motihari (Bihar)

SHRIMATI PRABHAWATI GUPTA (Motihari): Mr. Deputy Speaker, Sir, the land of Northern region of Bihar is very fertile and full of greenery. Valmiki Nagar adjoining Nepal is abundant in forest wealth, medicinal herbs and various plants. Devastating floods in the last few years have shattered the economy of this picturesque region. The *per-capita* income of this region is the lowest in comparison to that of other regions of the country. Due to shortage of power, thousands of cottage and small industries are lying closed. Especially the economic condition in East Champaran district is pitiable and the plight of the farmers is beyond description. It is regretful that not a single industry of Central or State level has yet been set up in this district, which was active during the freedom movement and had
