ASSAM STATE LEGISLATURE (DE-LEGATION OF POWERS) BILL contd.

MR. DEPUTY-SPEAKER: The House will now take up further consideration of the following motion moved by Shri P. Venkatasubbaiah on the 17th September, 1981, namely:—

"That this Bill to confer on the President the power of the Legislature of the State of Assam to make laws, as pased by Rajya Sabha, be taken into consideration."

Shri Balanandan.

SHRI E. BALANANDAN (Mu-kundapuram): Mr. Deputy-Speaker, Sir, normally, nobody can support this kind of delegation of powers. Specially with regard to Assam, it is coming often. Therefore, any body normally will oppose this kind of a measure. But I am not doing that now as such.

I want to bring to the notice of the Government certain important matters in this regard and I want a positive reply from the Government. We are told that marathon discussions are being held between agitators and the Government on the Assam issue. It is reported in newspapers that settlement is nearly going to be arrived at and that the differences have been narrowed down. But details are not known.

It appears from the press reports that the main demand of the agitators is that those people who came to Assam after 1971 are to be deported. That is the main demand. I do not know whether the Government is coming to that position. Earlier, the Government had made their position clear that the so-called cut.off year will be 1971. I do not know whether they are changing their previous stand.

Now, the disturbing situation there is that this agitation, as we have told you previously also, has now turned into having some kind of an international connection. it is absolutely a very bad connection. Recently in Gauhati, tonnes of ammunition worth lakhs and lakhs of rupees was found out. Together with it some secret documents were also found. In these decuments, I am told, some important places in Assam area are marked.

Some newspaper editorial commented that Assam belongs to South East Asia and not to India. From this, you will find that international agencies are operating there to disrupt the unity of the country and they are also taking advantage of the situation.
