MATTERS UNDER RULE 377

(i) AMALGAMATION OF CHITTARANJAN NATIONAL CANCER RESEARCH CENTRE AND CHITTARANJAN CANCER HOSPITAL, CALCUTTA.

DR. SARADISH ROY (BOLPUR) : Sir, a proposal for the merger of Chittaranjan National Cancer Research Centre and Chittaranjan Cancer Hospital, Calcutta with a view to set up a Regional Cancer Centre for Eastern India, has been accepted in principle long before but not implemented so far. Several meetings were held between the State Government of West Bengal and Central Ministry of Health on this proposal. Amalgamation of the Research Centre and the Hospital for Research and Treatment of Cancer in Eastern India is necessary and this issue should be settled expeditiously.

Under these circumstances, I urge upon the Government to give directions to the Ministry for finalising the amalgamation of the two institutions immediately.

I also demand that the Minister make a statement thereon.

(ii) DISPUTE BETWEEN U.P. AND BIHAR RE ALLEGED OCCUPATION OF CERTAIN BIHAR LANDS BY U.P. FARMERS.

PROF. K.K. TEWARY (Buxar) : Mr. Speaker, Sir, with your permission, I wish to raise the following matter of urgent public importance under Rule 377 :

Sir, there is a long-standing boundary dispute between U.P. and Bihar due to the constantly changing mid-stream of the river Ganga affecting large areas in Ballia and Bhojpur districts of the respective States. Affected farmers of these districts have taken this dispute to Courts and there have been a series of Litigations. The dispute has also led to violent clashes and claimed many lives in the recent years. The entire region is in the grip of unprecedented tension following forcible occupation of thousands of acres of Diara land of Bihar farmers by U.P. farmers supported by the authorities of U.P. Especially in view of the onset of harvesting of the Rabi crops, the prevailing tension is bound to lead to large scale violence and bloodshed.

I request the Central Government to intervene and restore these lands to the Bihar farmers to whom it really belongs.

(iii) DEVELOPMENT OF COLCHHEL PART IN TAMIL NADU.

SHRI N. DENNIS (Nagercoil) : Mr. Speaker, with your permission, I wish to raise the following matter of urgent public importance under Rule 377. Calatchel harbour, which is in the West Coast of Tamil Nadu, has to be developed at least as a Minor Port. This is the only Harbour for Tamil Nadu in the West Coast. This is an historical ancient harbour which had regular trade with the neighbouring countries, such as Sri Lanka, Middle-East and also Continental countries till recently. But it has so far not developed and its previous importance is vanishing. If this harbour is developed, trade and commerce there would be revived. Marine food-stuffs, mineral rare-earths, fibre, coir products and other products of this area could be exported conveniently. As the other Ports from this area are situated far away, now the export potentiality is retarded and the people of this area suffer economically. So, I request that Government may be pleased to take early steps for the development of Colochel Port at least as a Minor Port. Thank you.

(iv) DEVELOPMENT OF CERTAIN CANTONMENT AREAS IN HIMACHAL PRADESH.
