

Police Force were raiding almost every village in the district, picking up adivasis and torturing them with rifle butts and lathis.

'No Adivasi can be found in as many as 30 villages of Pathargama today', he asserted and charged the CRPF with acting on the orders of money lenders and big landholders."

समूचे आदिवासी इलाके में सेंट्रल रिजर्व पुलिस ठेके-धारी, जमीन मालिकों और सूदखोरों के हथकण्डे बन कर आदिवासियों पर सितम के पहाड़ ड़ाह रही है। बिहार में रसक ही भसक हो रहे हैं। जो यहा से सरकार-सेंट्रल रिजर्व पुलिस आदिवासियों की रक्षा के लिए भेज रही है, वे ही पूजीपतियों के साथ मिलकर आदिवासियों को वहां से उखाड़ रहे हैं। इसी तरह की घटनाओं की पूरा बिहार के हजारों भाग, रांची, सिंहभूमि और पलामू में भी हो रही है। समूची आदिवासी आबादी में अपहीनम मचा हुआ है। यदि प्रसिद्ध भारत सरकार ने हस्तक्षेप नहीं किया, तो बिहार के तो टुकड़े टुकड़े हो गेहो, राष्ट्रीय एकता भी खतरे में पड़ सकती है। और भारत मां का सताया हुआ सन्तान बगावत का झंडा उठा लेगा।

(iv) WATER POLLUTION CAUSED BY BIRLA RAYON FACTORY, MAVOOR (KERALA) IN CHALITRA RIVER.

SHRI C. K. CHANDRAPPAN (Cannanore): Sir, I wish to make the following statement under Rule 377 and request the Minister concerned to take immediate steps and make a statement in the House as soon as possible.

The Birlas have a rayons factory at Mauoor in Calicut district of Kerala. Since its inception, this Birla firm remained in the mids of controversies and it led the Kerala Government last year to promulgate Ordinance taking over the management of this firm.

But, the Birlas could get a supreme court judgment in their favour and are still running the firm. It has also been reported that this Birla firm has expanded its productive capacity even when the Central Government had refused to sanction their expansion schemes. It was done in complete violation of the provisions of the Industrial Development Regulations Act. This is a very serious offence, but the Birlas could get away with that. I want the present Government to take serious note of this matter and take actions against the Birlas and make them behave.

In the last few weeks a serious situation has arisen around a large area in Mavoor where the said Birla factory is situated. In violation of all norms of industry and various agreements, the Birla firm is pumping out the polluted water with poisonous substances in to Chalitra river. The public in Calicut and Malappuram districts protested against this. Tens of thousands of people in Calicut and Malappuram districts are the victims of this serious air and water pollution.

[Shri C. K. Chandrappan]

The entire fish in Challar River is dead and floating. The animals drinking water from the river are dying. The river which is source of drinking water to many a village in Kerala has turned into poisonous and thus poor people are deprived of water.

The newspapers of the State were unanimous in denouncing Birlas for this highhandedness. They pay no heed to the request made by the State Government authorities.

(Interruptions)

SHRI JYOTIRMOY BOSU (Diamond Harbour): I am surprised.

SHRI C. K. CHANDRAPPAN: That is why I am telling this House. This has created an explosive and serious situation in that part of Kerala. I, therefore, request the Government of India to do the following:—

- (1) Ask Birlas to close down the factory, as it was done in Goa in similar circumstances, until proper machineries are installed for preventing air and water pollution;
- (2) Birlas should be made to pay compensation to the people who became ill and who lost their animals and agriculture;
- (3) An enquiry should be ordered into the illegal expansion of the Mavoor Rayons Factory and if they are found to be guilty firm, penal actions should be taken against the Birlas.

Sir, a few words may be added, namely, "including the takeover of this Birla firm."

cluding the takeover of this Birla firm."

I hope that the Government will act quickly with a sense of urgency and seriousness.
