(iii) REPORTED suspension of Deputy SECRETARY IN THE MINISTRY OF INFORMATION AND BROADCASTING.

SHRI MALLIKARJUN (Medak): Mr. Deputy-Speaker, Sir, with your permission, I want to raise the following matter under rule 377. This relates to the suspension of Shri S. Ghosh, Deputy Secretary in the Ministry of Information and Broadcasting and others.

Shri Ghosh while deposing in the Court as a witness in 'Kissa Kursi Ka' has brought to light the methods that were adopted by C. B. I. to pressurise him to toe their line of guidance. He described in detail the manner in which C.B.I. put pressure on him to give affidavit according to C.B.I.'s false version. He has now been suspended from service on 19th July, 1978. This is a pressure tactic to demoralise all those who want to speak the truth.

MR. DEPUTY-SPEAKER: You come back to the text.

SHRI MALLIKARJUN: This has obviously been done deliberately to cause harassment to an honest witness and to thereby demoralise and intimidate other witnesses to prevent them from speaking the truth. Is this not tantamount to interfering with the due process of justice, which the Government constantly maintained that it is upholding? Does it not also amount to contempt of Court?

I have an apprehension that Sri Tripathi, I.A.S. who has deposed in 'Kissa Kursi Ka' case may also be suspended since he is deviating from the indicated line of C.B.I. About a

hundred officers are subjected to investigations but they were not suspended so also Mr Tamta who adopted the indicated line of C.B.I. spared from suspension, on the contrary Jagmohan was suspended 10 months ago (Interruptions)

MR. DEPUTY-SPEAKER: No, no.

SHRI DINEN BHATTACHARYA: How can he raise it?

SHRI MALLIKARJUN: His fault was that (Interruptions).

MR. DEPUTY-SPEAKER: Mr. Mallikarjun, if it does not come in the text, it will go out of record (Interruptions) You come back to the text.

श्रीधरी बलबीर सिंह (होमियारपुर) : उपाध्यक्ष महोदय, आपने इसकी इजाजत दी है क्या ?

उपाध्यक्ष महोदय : मैं देख रहा हूँ इस को।

SHRI MALLIKARJUN: I am raising this under 377. I am not speaking during Zero Hour.**

Mr. Deputy-Speaker, Sir, I strongly plead and urge the Prime Minister to revoke the suspension orders of Shri Ghosh and Shri Jagmohan and that such motivated suspensions should be avoided in future in the interest of justice. (Interruptions).

MR. DEPUTY-SPEAKER: Mr. Tombi Singh.

(Interruptions)

श्री धर्मुन सिंह भदौरिया (इटावा) : सरकारी घक्सरों की गुलामी न कीजिये।

श्री मल्लिकार्जुन : कोर्ट में केस चल रहा है, आपको मालूम होना चाहिये। वहां जो भी अजमेंट हो उसके अनुसार काम कीजिये। इस तरह से पहले ही आप एक पिटनेस को सर्वेड कर देते हैं यह को तरीका है ? यह ठीक नहीं है।

MR. DEPUTY-SPEAKER: Mr. Mallikarjun, please take your seat.

SHRI MALLIKARJUN: I am only provoking him.

MR. DEPUTY-SPEAKER: Please do not get provoked.

Mr. Balbir Singh, do not take a notice of him. He is going.

CHOWDHRY BALBIR SINGH: It is too bad for him to speak like that.

MR. DEPUTY-SPEAKER: Mr. Tombi Singh.

(iv) DECLARATION OF ENTIRE MANIPUR VALLEY AS A DISTURBED AREA.

SHRI N. TOMBI SINGH (Inner Manipur): Mr. Deputy-Speaker, Sir, with a sense of utter despair and deep anguish, I rise to raise an urgent matter of public importance. According to reports available so far, the entire Manipur valley area has been declared a disturbed and dangerous area under the Armed Forces (Manipur and Nagaland) Act, and the army and para-military forces have been called out to assist the civil administration in dealing with the law and order situation in the whole area. For the first time, the powers under the Act are reported to have been invoked to quell violence in Manipur since the enactment was placed on the Statute Book. This step, it is reported, has been necessitated in the wake of deterioration of law and order, including shooting and killing of policemen by underground elements in the last few days. Preceding the declaration, there were three violent incidents, one each on three successive days. They were: (1) shooting of two policemen dead; (2) looting of a bank and (3) shooting of two Jawans of the Manipur Rifles, all in broad daylight. In the absence of any mass unrest, the declaration of the entire Manipur valley, the most thickly populated part of the State, a disturbed area and deployment of the Manipur Rifles, Central Reserve Police and para-military forces for intensive combing operation throughout the

State is certainly a drastic step that the State Government has taken.

Underground activities in Manipur and the neighbouring States are as old as India's independence and the Union Home Ministry must have a long story of mistakes and failures in the handling of complicated situations over the years. Our serious apprehension is that the present situation smacks of complete failure of the present Janata Government in Manipur to tackle the delicate issue. I am not in any way a supporter of the underground movement in Manipur or in any part of the country. What is meant here is that there should be proper handling of this delicate situation.

It is not possible to say at this stage whether this drastic step is justified or not. As the hon. House is aware, Manipur is a very sensitive State in the north-eastern border of our country. Every care has to be taken before such a drastic step is taken. Under such circumstances, police excesses may take place disturbing the normal flow of social life.

May I request the hon. Home Minister to make a statement on the subject as early as possible to keep the hon. House well informed of the situation?

(v) CORRESPONDENCE BETWEEN SHRI N. G. GORAY, HIGH COMMISSIONER FOR INDIA IN U.K. AND LORD MOUNTBATTEN *re.* DEATH OF NETAJI SUBHAS CHANDRA BOSE.

SHRI HARI VISHNU KAMATH (Hoshangabad): Mr. Deputy-Speaker, may I, Sir, request you to permit me, under rule 377, to mention the following matter of urgent public importance?

It has been reported in the press that Lord Mountbatten, the last Viceroy and the last but one Governor-General of India and the Supreme of the South East Asia Command in the Second World War, has, in the course
