arrest employees of the Reserve Bank. That type of arrest has been made already in Madras. Four employees have been arrested in their houses, not in the office. Does this Government want to run the Reserve Bank of India with police force inside the Reserve Bank? Is it the way this Government should function? This is purely an unconstitutional measure. We want to give that warning to this Government. They cannot, by taking advantage of an Ordinance issued just four days before this House is to assemble, without consulting the people and the trade unions and the working class...(Interruptions) What the demand of the Reserve people? They wanted a negotiated settlement. There is a clear breach of faith on the part of the Government...(Interruptions)
