#### CALLING ATTENTION TO MATTER OF URGENT PUBLIC IMPORTANCE

##### REPORTED ABOLITION OF FOOD ZONES

SHRI C. K. CHANDRAPAN (Cannanore): I call the attention of the Minister of Agriculture and Irrigation to the following matter of urgent public importance and request that he may make a statement thereon:

"Reported abolition of food zones creating difficulties for the deficit States like West Bengal, Orissa, Tamil Nadu and Bihar in the matter of cordoning off the movement of foodgrains and supplying adequate quantity thereof to the people at reasonable prices."

THE MINISTER OF STATE IN THE MINISTRY OF AGRICULTURE AND IRRIGATION (SHRI BHANU PRATAP SINGH): Under the pricing and procurement policy for Kharif cereals for the 1977-78 marketing season announced by the Government of India, all zonal restrictions on the

movement of rice and paddy have been removed and such movements would now be free throughout the country. This policy was adopted, taking into consideration:

(i) Easy food situation, with expectation of bumper harvest from Kharif crops and with 19 Million Tonnes of food-grain stocks, out of which 4.8 Million Tonnes was rice, the continuance of controls and restrictions was considered unnecessary;

(ii) The well-being of the people —producers as well as consumers. It was expected that the producers in surplus States would be getting better price for their produce and the consumers in the deficit States would be getting their supplies at lower prices. Since the adoption of the new policy, these expectations have been fulfilled:

(iii) In view of good harvest, it was also expected that procurement of rice, even after the removal of restrictions on its movement would not be much less. This expectation has also been fulfilled. Efforts to maximise procurement are continuing. In fact, procurement of rice this year so far has been highest, 6.5 lakh tonnes against 4.9 lakh tonnes during the corresponding period last year; and

(iv) Indian people being one should have access to one common market to the extent it is possible.

2. There are ample carry over stocks of last year to enable the Government of India to meet the requirements of the rice deficit States.
