Diesel and Furnace Oil supplied to Gujarat

222. SHRI D. D. DESAI: Will Minister of PETROLEUM be pleased to state:

(a) the total quantity of diesel. furnace oil and fuel oil supplied to Guiarat in 1974 and 1975; and

(b) whether supply of these materials has been lowered in 1975 and if so the reasons therefor?

THE MINISTER OF PETROLEUM (SHRI K. D. MALAVIYA): (a) and (b). Except for kerosene, no quotas for petroleum products are allocated on State-wise basis. A review of the actual sales of these three products in Gujarat during 1974 and 1975 shows that the consumption of high speed diesel oil was more in 1975 as compared to 1974. However, the consumption of light diesel oil and furnace oil was less. Apart from the other reasons, better monsoons in 1975 affected L.D.O. sales. Drop in consumption of furnace oil was mainly brought about by the bulk consumers using alternate fuels like coal and low sulphur heavy stock (LSHS).
