(b) if so, the number of schemes for setting up of new industries sanctioned during the period; and

(c) if not, the reasons therefor and the action proposed to be taken against the erring officials?

THE DEPUTY MINISTER IN THE MINISTRY OF FINANCE (SHRI ANIL SHASTRI): (a) to (c). It has been reported by Delhi Financial Corporation that the targets for sanctions during 1989-90 were achieved and a total number of 561 schemes were sanctioned for setting up new industries. However, targets for disbursements during the said period could not be achieved as there had been delays in sanctioning of loan applications during the first six months which adversely affected the loan disbursements. Further, disbursements of loans were also delayed in some cases in the disbursement department. The corporation has already initiated departmental action against an officer and has reported that it is also contemplating suitable action against certain other officials.
