

(d) whether this festival would be held in Calcutta at least once a year, when this city, once the cultural centre of the film industry, has got the necessary infrastructure for this purpose; and

(e) if not, the reasons therefor?

THE MINISTER OF INFORMATION AND BROADCASTING AND MINISTER OF PARLIAMENTARY AFFAIRS (SHRI P. UPENDRA): (a) Yes, Sir. The Government has now taken the decision to hold the International Film Festival for documentary and short films once in every two years or biennially.

(b) This decision was taken in view of the financial constraints of the 8th Five Year Plan.

In addition, it is felt that it would be better to alternate this festival with the International Children's Film Festival.

(c) The tentative expenditure for festivals in 1992 and 1994 is estimated as Rs. 62 lakhs and Rs. 71 lakhs respectively.

(d) The Government has decided to hold the festival biennially. Therefore the question of holding the Film Festival in Calcutta at least once a year does not arise.

However the question of holding the Film Festival in Calcutta in rotation will be given due consideration by the Ministry at the appropriate time.

(e) Does not arise.
