[Shri Swaran Singh]

intention of placing copies of any correspondence that might have taken place with them, on the Table, bacause that is not customary.

SHRI N.K. SANGHI (Jodhpur) : From waht we have just now heard from the Minister and Members of Parliament, I come to the conclusion that the Tashkent agreement looks to be "dead as dodo". We have seen that Pakistan Government is going on a system of economic aggression against Indian nationals, whether it is a question of property left by them or otherwise. They are also going on the system of genocide against minorities in that State. I am sure Government would understand what the future designs of the Pakistan Government would be. We have to realise it sooner than later. I know the hon. Minister has nothing to say. As a protest against the failure of the Government to get proper redress to the Indian nationals whose property has been left behind, I would refuse to ask any question. I request the Government to take this matter seriously so that the properties are restored to them, failing which at least some positive compensation should be given to them so that they can survive.

SHRI SWARAN SINGH : I have noted his protest and his feelings.
