Rule 377

SHR H. N. MUKERJEE : How did it happen that the Home Ministry's intervention took place over your head, behind your back?

MR. SPEAKER: In the list of names received from the Election Commission one name was mentioned as "Rajmata Cabinet which I am surprised to hear. Scindia": we dropped Viiava Raia "Maharaja "Rajamata". In the case of Madhavrao Scindia" we dropped "Maharaia". In the case of "Narendra Singh" he has not used any word.

SHRI SEZHIYAN: The 1971 elections took place before the abolition of the privileges.

MR. SPEAKER: I am not going to be guided by the Notification of the Ministry of Home Affairs. What do you want me to adopt?

SOMF HON, MEMBERS: The Simple name.

MR. SPEAKER: So, the consensus is for "Shri" and "Shrimati".

SHRI H. N. MUKERJEE: We raised this matter on a question of principle. I did not raise it to get a decision. I could have gone to your room if I wanted to know your reaction. I came up to this House because I want to be satisfied that the House wants to be satisfied that the people know the mood of the House on a matter of principle.

Here is the Home Ministry intervening in a matter which suggests discrimination in the description of certain persons which goes against the entire idea of legislation which we have passed recently. The Home Ministry keeps mum. And you take the consensus of the House.

MR. SPEAKER: So far as our Secretariat is concerned, I have sought guidance. So far as you and the Home Ministry are concerned, you may do as you like.

SHRI INDRAJIT GUPTA: It stems out of what has appeared on the Ouestions List. It is not limited only to that. The fact is that this appears on the Ouestions List and derives from the fact that the Home Ministry has given certain general directions and has got it approved in the

THE MINISTER OF STATE IN THE MINISTRY OF HOME **AFFAIRS** K. C. PANT) : Sir. iust (SHRI before I came. I received information that Shri H. N. Mukerjee and Shri Era Sezhiyan have brought up this matter. The matter they have raised is about "the surreptitious and unwarranted inclusion in the Lok Sabha Questions List of the style of names of certain persons" and so on. This is primarily a matter for you to consider. But as far as the reply of the Home Ministry goes, as Shri Indrajit Gupta rightly said, it is a decision of the Government. If any statement is required from the Home Ministry on this, if we get notice in a regular manner, I can go into the papers and find out. Only then I can say.

SPEAKER: The Notice under Rule 377 came at a very late stage. It was conveyed to the Government at a very short notice. I would ask the Home Minister, so far as his Ministry is concerned. to later satisfy the House. So far our business in the Lok Sabha is concerned, I will go by the consensus of the House.

Have I the consensus of the House?

HON. MEMBERS: Yes.

MR. SPEAKER: So, henceforth, they will be "Shri" or "Shrimati". And, anything like "of such and such place" will go.

Copies of the notifications issued by the Public Service Commission may also be similarly endorsed".

(iii) Alleged partisan broadcasts by the All India Radio

SHYAMNANDAN SHRI MISHRA (Begusarai): Sir. under rule 377, I have to refer to certain broadcasts that ате made by the All India Radio these days. It is most amazing and sickening to hear the All India Radio broadcasting the highly partisan and malicious remark of the Prime Minister -I should say, rather, of Shrimati India Gandhi against the Opposition Parties made at party conferences and elsewhere. Shrimati Indira Gandhi has, of late, carrying on a vilification campaign against the Opposition Parties in her public utterances. Among other things, she has been accusing the Opposition of having a global tie-up which means even doubting their patriotism. It is most extraordinary that the All India Radio which is a public institution, built with a huge amount of public money, should be so blatantly exploited for party purposes and it should behave as if it is the mouth-piece of Shrimati Indira Gandhi and her party.

The tirade against the Opposition carried on the All India Radio is strident and repeated of late and sometimes in the morning the first item you hear after the prayers is the remarks of Shrimati Gandhi against the Opposition Parties. We demand, therefore, that this campaign by the All India Radio should be stopped immediately

and those officers who have been responsible for this sinister propaganda against the Opposition Parties be brought to book.

SHRI DINEN BHATTACHARYYA (Serampore): They should be promoted.

SHRI SHYAMNANDAN MISHRA: The Minister for Information & Broadcasting has got nothing to say about it? He is here.

THE MINISTER OF STATE IN THE MINISTRY OF INFORMATION AND BROADCASTING (SHRI I. K. GUJ-RAL): You will agree with me that this is one of the generalised statements that our Shyamnandan friend. Shri normally does and he has not said anything specific. He knows very well that All India Radio like the newspapers do give out news. Whatever the Prime might have said-on that there may be or may not be political differences with the Opposition Parties-but the question is that the media tries to give the news. Whenever my friend, Shri Shyamnandan Mishra says something, it also comes.....

SHRI SHYAMNANDAN MISHRA: No, no. It is completely wrong. All India Radio must not be used for Party propaganda and for broadcasting Shrimati Gandhi's speeches on the Party's forums and other conferences. She is only making them as a Party leader.
