

bers of the Joint Committee wanted postponement of consideration of the Bill at the instance of Shri JRD Tata or others.

**THE MINISTER OF LAW AND JUSTICE AND PETROLEUM AND CHEMICALS (SHRI H.R. GOKHALE) :** Government is very anxious to pass this Bill quickly in this session. There is no intention of postponing it to the next session. As Shri Darbara Singh has rightly stated, probably this is going to be the first legislative measure to be passed after the passing of the 24th and 25th Constitution Amendment Bill and I have no doubt that the interests who are interested in seeing that this enactment is set aside are bound to go to courts. So, all the provisions need to be examined thoroughly to make them fool-proof and immune from legal attack. That is why some more time is required.

**SHRI INDRAJIT GUPTA :** When it is going to be presented only at the end of the month, I do not know how it is going to be passed in this session.

**MR SPEAKER :** The question is : "That this House do extend upto the 21st August, 1972 the time appointed for the presentation of the report of the Joint Committee on the Bill to provide for the acquisition and transfer of shares of Indian Insurance companies and undertakings of other existing insurers in order to serve better the needs of the economy by securing the development of general insurance business in the best interest of the community and to ensure that the operation of the economic system does not result in the concentration of wealth to the common detriment, for the regulation and control of such business and for matters connected therewith or incidental thereto."

He has brought this matter to my notice. I am sending it to the Minister for a report. Then I will allow the hon. Member to mention it in the House.

**SHRI DINEN BHATTACHARYYA :** He was coming to attend a parliamentary committee meeting when this happened! So, it is a question privilege.
