SHRI M. R. JANARTHANAN (Tirunelveli): Mr. Speaker, Sir, I am living in North Avenue and my house number is 55. Today morning I found that there were two plastic bottles packed in a plastic bag lying in between my house 55 and 53. Immediately I telephoned to Phone No. 100 at 9.05 A.M., saying that I am a Member of Parliament on the line and I told them that there is some mysterious bag lying near my house at 55. When I saw the place at 9.20 A.M., I found that the bag was removed. I think the Police should have removed it. But the Police did not come to my house and report the matter to me. Though a Member of Parliament has telephoned the Police, this is the way how the Home Department is functioning. I request the hon. Minister to take note of this matter. (Interruptions).
