

T. V. Transmitter in Pali City of Rajasthan

*736. SHRI SHANKARLAL: Will the Minister of INFORMATION AND BROADCASTING be pleased to state:

(a) the places in Rajasthan where T.V. transmitters have been set up, since when these are functioning and their capacity;

(b) the names of villages and towns benefited by these transmitters and the coverage of each of them;

(c) whether Government propose to install a high power T.V. transmitter in Pali city of Rajasthan; and

(d) if so, when?

THE MINISTER OF PARLIAMENTARY AFFAIRS AND MINISTER OF INFORMATION AND BROADCASTING (SHRI H.K.L. BHAGAT): (a) and (b). The names of the places where TV transmitters are functioning at present in Rajasthan alongwith their power rating, coverage data and date of commissioning are given in the Annexure. No survey has been made to determine the extent of coverage by these transmitters in different towns/villages separately. However, the estimated over-all urban and rural population covered by each transmitter in Rajasthan has been indicated in the statement below.

(c) There is, at present, no approved scheme to set up a high power TV transmitter at Pali, in replacement of the existing low power (100 W) transmitter.

(d) Does not arise.

STATEMENT

Place	Date of commissioning of the transmitter	Power of the transmitter	Service Range (Kms.)	Population covered (lakhs)		
				Urban	Rural	Total
1	2	3	4	5	6	7
1. Jaipur	1.3.77	10 KW	130	19.36	59.36	78.59
2. Suratgarh	19.11.82	100 W	25	0.29	1.60	1.89
3. Ganganagar	1.7.84	100 W	25	1.21	1.12	2.33
