

whether any constitutional amendment will be brought forward or any directive through the Governor will be issued. Even the Central Government takes action through the Governor to dismiss the elected Chief Ministers as well as the legislatures. In such a situation, why don't they issue a directive to the U. P. Government through the Governor to change this kind of rules and regulations of the U. P. Assembly and to transact business in such a manner that it will protect the interests of the minorities?

SHRI VIDYA CHARAN SHUKLA :

Sir, whatever action we want to take in this respect or whatever action we have taken in this respect has already been indicated in my earlier answers. So, I do not think there is any answer called for on this point. So far as the language followed in this House is concerned, it is the discretion of the Speaker here and at your discretion you have been allowing various languages to be spoken here and we have not been insisting on anything. As far as that is concerned I do not think any Member could have any objection on that point.
