[Shri Tridib Kumar Chaudhuri]

I think the House on some subsequent occasion should give its serious consideration to this administrative aspect also, because after all the regulation and control of the corporate sector of our economy also needs a proper integrated all-comprehensive organisation. Otherwise what I feel is that the work that was done over so many years by a competent body of officers who have been in charge of the administration of company law and have done excellent work, will be totally nullified.

Mr. Deputy-Speaker: We will now proceed to the next item of business.
