

whether it is on account of any serious illness, and whether he is getting proper treatment.

Shri Vasudevan Nair (Ambalapuzha): I think a little clarification is necessary. Even when he is on parole I think he has a right to leave of absence from this House on the basis that he is under detention though due to his mother's illness he is on parole. Actually, the reason for giving him leave of absence all these days was that he was under detention. There is difficulty because even if he is on parole he cannot attend this House.

Mr. Speaker: The difficulty of the Committee is that Mr. Nambiar must have applied on that ground and therefore they have recommended that. I agree with him that he must have put in that ground in the application.

Shri Hari Vishnu Kamath: Can he attend the House while on parole?

Mr. Speaker: I cannot give that information.

Shri Ranga (Chittoor): That is a point which ought to be considered by you. When a Member has been kept under detention and government thought it fit to release him on parole, he ought to be allowed to come to the House during that period, if he chooses and if he finds time to go over here.

Mr. Speaker: That parole is for a particular purpose, not for all other purposes. How can he do that?

Now, may I take it that the Members agree to the report?

Several hon. Members: Yes.

Mr. Speaker: The hon. Members concerned will be informed accordingly.
