THE MINISTER OF STATE IN THE MINISTRY OF PARLIAMENTARY AFFAIRS AND MINISTER OF STATE IN THE MINISTRY OF SCIENCE AND TECHNOLOGY (DEPARTMENT OF ELECTRONICS AND DEPARTMENT OF OCEAN DEVELOPMENT) (SHRI RANGARAJAN KUMARAMANGALAM): Last time this matter had come up as a point of order, as to whether the Statement regarding ordinance should be read first and then the Bill should be introduced or it should be done the other way round. It was decided that the practice of having the Statement after the introduction of Bill is something which is lending a certain amount of illegality of the rule. We usually did not notice and the Office has been, as a matter of practice, in the past putting introduction first and Statement later. Last time it was brought to the notice of the Secretariat that first Statement should be placed and then the introduction. I request that at least in future that should be followed, otherwise it leads to illegality. There is a ruling by the Speaker in this regard.
