THE MINISTER OF STATE IN THE MINISTRIES OF EDUCATION AND CULTURE AND SOCIAL WELFARE (SHRIMATI

These related to examinations of M.A. (History) (Part-II); B.A. (Hons.) in Economics and B.Sc. (Hons.) in Physics. Enquiries made by the University revealed that the allegations in the first two cases were baseless. Enquiries in respect of the third allegation are in progress.

There were also reports of leakage of question papers in a number of subjects for the All India Senior School Certificate Examination conducted by the Central Board of Secondary Education in Delhi 1982. Enquiries made by the Board revealed that question papers in Mathematics, Chemistry and Biology had leaked out. The examinations in these subjects were, therefore, cancelled and fresh examination held for candidates appearing from Delhi in these subjects.

No leakage of question papers in the Delhi University Examination has been established in two cases to warrant any further action. However, in the case of Central Board of Secondary Education, a one-man Committee has been appointed to conduct an enquiry into the matter and to recommend systems and procedures to eliminate any possibility of leakage of question papers in future. The work of the Committee is in progress.
