

**Shri Sarangadhar Das:** If you will give us the figures that are supplied by the Technological Research Institute in Lucknow, as to the weekly production figures, we will know the position.

**Shri Kidwai:** I can assure the hon. Member that this year's production is not lower than last year's.

**Mr. Speaker:** Order, order. I am not concerned at all with the merits of this case now. I wanted just to know as to whether the adjournment motion is admissible, and should be admitted.

डाकुर युगल किशोर सिंह (मुजफ्फरपुर उत्तर-पश्चिम) : उसी के सम्बन्ध में कुछ कहना चाहता हूँ ।

अध्यक्ष महोदय : किस सम्बन्ध में ?

डाकुर युगल किशोर सिंह : कि यह एडमिट होगा या नहीं ?

अध्यक्ष महोदय : नहीं, मैं एडमिट होने की कनसेंट नहीं देना चाहता । मैं ने बहुत सुना और सुनने के बाद मेरा निश्चय यह हुआ है कि यह एडमिट नहीं होना चाहिए ।

#### KUMBH MELA TRAGEDY

**Mr. Speaker:** Now, there is another adjournment motion. As the hon. Member who has given notice of it wishes that I should mention it, I shall mention it. This adjournment motion is the same thing as was tabled yesterday—the same as the three adjournment motions which had been disposed of yesterday. I do not think it can come again today.

**Shri Nand Lal Sharma (Sikar):** I have got something fresh to say.

**Mr. Speaker:** I am not going to entertain that.

**Shri Nand Lal Sharma:** I am not going to discuss it, but.....

**Mr. Speaker:** May I ask the hon. Member to resume his seat? He will

see that a motion on an identical subject was tabled yesterday, and my consent was withheld. The question is closed now.

**Shri Nand Lal Sharma:** I want to refer to it, because Kumbh Mela is going to be repeated in other States also.

**Mr. Speaker:** Order, order. I do not propose to hear that. The hon. Minister of Production will not make a statement.

**Shri Nand Lal Sharma:** Any time for discussion on my motion?

**Mr. Speaker:** There is no discussion on that point. He need not interfere with the proceedings now.

They collected additional data, inspected the proposed sites, and held discussions with the Governments as well as with the Central authorities concerned. After a study and assessment of the material so collected, both here and in association with their top technical experts in Germany, they have recommended the location of the new Steel Plant at Rourkela in Orissa.

The Government of India have very carefully examined this recommendation. They have considered the views of the Governments of Madhya Pradesh, West Bengal and Orissa, on the report of the Consultants. They have also had the benefit of discussions with
