STATEMENT TO ACTION ON THE CONVEN-TION AND RECOMMENDATIONS ADOPTED BY THE I.L.C.

The Deputy Minister of Labour (Shri Abid Ahi): I beg to lay on the Table a copy of the Statement showing action taken or proposed to be taken by the Government of India on the Convention and Recommendations adopted by the International Labour Conference at its 38th Session, held at Geneva in June, 1955. [Placed in Library. See No. S-516/56.]

Shri T. B. Vital Rao (Khammam): Could we know why there has been so much delay in making this statement since the International Labour Conference was held in June 1955? Now we are in December 1956. More than 18 months have passed. According to the ILO convention, this should be laid on the Table of the Houses of Parliament as soon as it is passed.

Shri Abid Ali: As soon as a decision is taken, this should be laid on the Table of the Parliament. That is the system. The reason for the delay was that after the Convention and Recommendations were passed, we consulted other Ministries and State Governments also. Thereafter, as the hon. Member himself knows, this matter has to be placed before a Tripartite Committee in India, and after their decision is communicated, Government take the final decision and place it here.

Shri T. B. Vital Bac: The hon. Deputy Minister said that the matter [Shri T. B. Vital Rao]

rence was held in June 1955.

was placed before the Tripartite Committee. After June 1955, there was no Indian Labour Conference held at all. It was held only in May, 1955,

Mr. Deputy-Speaker: Other Ministries had to be consulted.

Shri Abid Ali: I did not say 'Tri-

and the International Labour Confe-

partite Conference'; I said 'Tripartite Committee'. A meeting of the Tripartite Committee was held and this matter was considered and their decision communicated to us. On that basis, Government's decision has been arrived at and now it is being placed here.

Shri Kamath (Hoshangabad): The Order Paper shows that the Statement laid on the Table refers to the action taken or proposed to be taken. So part of it refers to action proposed to be taken. May I not request Government to afford an opportunity to the House to discuss the recommendations of the International Labour Conference before they finally make up their mind as to what action
