QUESTIONS AND ANSWERS

(See Part I)

12 hrs.

BUSINESS OF THE HOUSE

Shri Gadgil (Poona Central): May I raise one question? I want to know when the 2¹/₂ hour discussion about the grievances of the Insurance Corporation employees will be taken up.

Shri N. C. Chatterjee (Hooghly): You may remember that a promise was given that such a debate will take place.

Mr. Speaker: We will find out.

Shri Sadhan Gupta (Calcutta South-East): I have given notice of that among others for discussion. You know that last session....

Mr. Speaker: Let the hon. Minister be present here. He is not here now.

An Hon. Member: He is there now.

Shri Gadgil: Our auxiety is that some time must be found out for this debate before we adjourn because it is the first nationalised venture of the kind and we are anxious that nothing should be done so as to prejudice this major issue. That is the reason why many of us are anxious to have some discussion over this. The Minister of Finance and Iron, and Steel (Shri T. T. Krishnamachari): I am in the Chair's hands. If the Chair wants me to be present at any time, my services are at the Chair's disposal. But there is only one fact. I suppose hon. Members will speak and I shall be certainly prepared to listen to the debate. Whether I am able to contribute to the debate will depend on the circumstances.

2050

Mr. Speaker: Hon. Members are aware that the hon. Minister of Parliamentary Affairs said that certainly some time will be provided for it in the coming week, and I will certainly put it down some day next week.

Shri T. T. Krishuamachari: It was mentioned to me just this morning whether on the 17th the time 5-30 to 7-30 would suit me—I do not know how it emanated. So far as I am concerned, any time will suit me.

Mr. Speaker: Let us keep it on Monday, but I will find out if it can be on Monday. I shall consult the hon. Minister of Parliamentary Affairs also about it.
