Statement re: Supplementary Demands for Grants (Railways) for 1953-54

[Shri Bansal]

while making a statement in the House of Commons, said:

"There was a review of trade between Japan and the Sterling Area in the light of Japan's heavy balance of payments deficit and acute shortage of Sterling which in the absence of any action would have compelled Japan to impose heavy restrictions on the purchase of Sterling Area goods."

Inasmuch as this new agreement is bound to help the countries—the whole of sterling area—and India being a part of that area, I want to know whether Government of India were consulted by the U. K. Government when this agreement was discussed and signed.

Mr. Speaker: This also will be left over and may come up when the matter is taken up for discussion, because we do not allow any supplementary questions on a Statement made.
