

is mentioned here also in the telegram. We have no additional information. If you so like, I can read out its contents.

Mr. Speaker: Yes.

Shri Lal Bahadur Shastri: "Train arrived Tundla 01 with RMS compartment locked from both sides. Government Railway Police and doctor called for. Compartment opened and two RMS employees—Bhagwan Singh, Mail Guard and Shivsaran Lal, Porter found stabbed and dead. RMS van detached. Case made over to Government Railway Police for investigation. Details of losses not available at present."

Shri Braj Raj Singh: When did it happen? My information is that it happened on the night of 11th March. It is three days and the hon. Minister has not got information. Tundla is only 100 miles from here.

Mr. Speaker: The point is that it should be information from a reliable quarter. The official source says that this was done only at the Tundla Station. Till then it had been locked. It will be a proper thing for inquiry whether the R.M.S. van was locked at the previous station, because at each place the parcels have to be handed over. If that had been locked they would have noticed there. These are all matters which will be certainly gone into. The hon. Minister is not in a position to say anything else. He has read out the official information. All possible steps will be taken because some passengers are affected. Mail sorters and others have to go. There special care will be taken in regard to the investigation and this matter may be communicated to the House as and when further details come. Most effective measures must be taken. With these remarks.....

Shri Braj Raj Singh: It may be held over till the other day.

Mr. Speaker: How long?

Shri Braj Raj Singh: For the 17th.

Mr. Speaker: No, no. With these remarks that with respect to this matter which occurred recently, the hon. Minister will communicate to the House from time to time such information as may be available.

Shri Raghunath Singh: My Short Notice Question is there. It may be answered after three days.

Mr. Speaker: I shall see. If within three days any more information is available, the hon. Minister will tell us. If not, I will bring it up a week hence. I am not called upon to give my consent. There is no good pursuing this matter or giving consent to the adjournment motion.
