**CALLING ATTENTION TO MATTER OF URGENT PUBLIC IMPORTANCE
 HARDSHIP CAUSED TO MEMBERS OF SCHEDULED CASTES BY THE DEMOLITION OF SOME STRUCTURES IN MOTI BAGH**

Shri B. K. Gaikwad (Nasik): Sir, under Rule 197 of the Rules of Procedure and Conduct of Business in Lok Sabha I beg to call the attention of the Minister of Home Affairs to the following matter of urgent public importance and I request that he may make a statement thereon:—

"Hardship caused to members of the Scheduled Castes by the demo-

lition of some structures in Moti Bagh in Delhi."

The Minister of Home Affairs (Pandit G. B. Pant): The Moti Bagh Colony was first established in 1955-56 as a residential colony for Government servants. Soon after the establishment of the colony, a number of unauthorised stalls and other structures used as shops, dairies etc. began coming up. Such structures not only encroached on Government land but created slum conditions. To restrain the growth of these unauthorised constructions, structures of recent origin are removed from time to time. On the 27th August, 1958, some structures which were of recent origin and had been constructed by encroachment on Government land were demolished in Moti Bagh area. The demolition was carried out without making any distinction whatsoever on the basis of caste or creed.

The problem of restraining unauthorised constructions which lead to the creation of insanitary and slum conditions is as urgent as it is acute. A committee consisting of the Chief Commissioner of Delhi, all Members of Parliament from Delhi and others has recently been appointed to go into this problem and make concrete suggestions for its solution.

CLARIFICATION OF REPLIES TO SUPPLEMENTARIES ON STARRED QUESTION NO. 1267

The Parliamentary Secretary to the Minister of Steel, Mines and Fuel (Shri Gajendra Prasad Sinha): Sir, in reply to a supplementary to Starred Question No. 1267, I stated that the by-products to be manufactured in the By-Product Plant at Rourkela would be coal tar, ammonia liquor and benzol. These are the by-products from the coke ovens. The products which will be produced in the By-Product Plant are intermediate and marketable products like heavy and light tar oils,
