APOLOGY BY A NEMBER

Mr. Speaker: I have so inform the House that I have received the following letter dated the 17th December, 1958, from Shri Liladhar Kotoki, Member, Lok Sabha:—

"Being ignorant of the rules of Privileges of the House, I submitted a Memorandum on the

6395 Cinematograph (Amenament) Bill

[Mr Speaker]

Assam Panchayat Bill, 1958 and gave evidence before the Select Committee on the Bill on 16th October last at Shillong In both submitting the memorandum with certain amendments suggested by me and giving evidence, I took the initiative and volunteered to do so, which was agreed to and accepted by the Select Committee

From the Sixth Report of the **Privileges** Committee of Lok Sabha circulated to us, I realised I committed a grave misthat take in omitting to seek your previous permission and referring the matter to the Privileges Commit tee and the House Yesterday, I approached the Deputy-Speaker and told him about it and sought his advice He was kind enough to direct me to submit a petition In course of placing the report in the House today, both the Deputy Speaker and yourself have ex plained the future course to be taken in the matter of giving such evidences

I submit that I never meant any breach of privilege of the House, and all that I did was pro mpted by my interest in the Bill in question, and my ignorance of the rules, as submitted above

I hereby tender my most unqualified apology to you and through you to the Privileges Committee and the House and most humbly beg that I may kind ly be pardoned for this first and unintentional mistake on my part

I assure, Sir, that I shall not commit such a mistake in future"

The Minister of Parliamentary Affairs (Shri Satya Narayan Sinha) May I make one request to you? In view of the fact that the House is not sitting beyond tomorrow, may I re quest you to kindly tell the House also strictly to adhere to the time allotted to each item which is before the House till tomorrow, and the time which has been approved by the House also On previous occasions, we did not mind it, and the time used to be adjusted But, in view of the fact that the House is not going to sit beyond tomorrow, and there are certain important legislative items which must be put through by tomorrow, and this can be done only if we strictly adhere to the time, up to the minute, I am making this request
