CONCESSION TO UNDER-DEVE-LOPED COUNTRIES

*92. SHRI D.D. DESAI : SHRI JAGDISH PRASAD MATHUR :

Will the Minister of COMMERCE, CIVIL SUPPLIES AND COOPE-RATION be pleased to state:

- (a) whether under-developed countries including India obtained specific con-cessions from the developed countries at UNCTAD V held recently in Manifes
- (b) if not whother this was dur to the inability of the developed countries to act in a concerted manner:
- (c) whether considerations of sid by the developed countries was an inhibiting factor in the ability of Group of 77 to bargain for trade preferences; and
- (d) the stand Government of India took in regard to trade preferences both at the meeting of the Group of 77 and at UNCTAD V?

THE MINISTER OF COMMERCE, CIVIL SUPPLIES AND COOPERATION (SHRI MOHAN DHARIA):

(a) and (b). The agenda for UNCTAD-V covered a wide range of subjects in-cluding virtually all the major conference of developing countries in the area of trade and development. The results of the Conference for developing countries like India should be evaluated in the context of their countinuing efforts to restructure their economic relations with developed countries and accelerate the implementation of the Programme of Action for the establishment of the New International Economic Order and she extent to which the Conference contributed to the realisation of these objectives.

The results of UNCTAD-V were disappointing for developing countries due to lack of progress in many important areas such as the evaluation of world trade and economic situation and structural changes in the world economy and a greater share for the developing co satries in the international decision making processes, evaluation and consequential recommendations concerning Multilateral Trade Negotiations, measures to expand and diversify the export trade of developing countries in manufactures and semimanufactures, Generalised System of Preferences, reform of the international monetary system, alleviation of their debt problems, Code of Conduct on Transfer of Technology and bulk sharing of cargoes in slupping

Some limited gains were registered by developing countries in areas like Protectionism, Commodities Official Development Assistance (ODA), steps for strengthening the technological capacity of developing countries problems of I east Developed and I and-locked Developing Countries, improving UNCTAD's effectiveness and Economic Cooperation among Developing Countries (FCDC). The usaying gain at the Conference was however, the new awareness amongst the developing countries for mutual economic cooperation and self reliance for which the tone was set by India's proposal for fresh round of tariff negotiations among developing countries on the basis of 50 per cent tariff concessions

At the UNCTAD forum, negotiations take place essentially on the basis of group proposals or positions Basically the disappiniting itsults of UNCTAD V were due to the negative or halting response of the developed countries to many import utilissues.

(c) and (d) The negotiations on various issues before UNCTAD-V including trade preferences were conducted by the developing countries on the basis of the harmonised positions at their Arusha meeting Therefore, considerations of aid by developed countries acting as an influting factor in the ability of the Group of 77 to bargain for trade preferences did not arise

In regul to trade preferences both at the meeting of the Group of 77 and at UNCFAD-V, developing countries like India proposed that the developed countries should ensure implementation of the commitments by developed countries under the Fokyo Declaration to provide special and differential treatment to the developing countries and rejected the concept of graduation among developing countries. The developing countries also sought extension of the Generalised System of Preferences beyond the initial

period of to years, giving it a legal character, provided for binding of negotiated rates, enlarging the product coverage and prior consultations in case of withdrawal of preferences

Disraption in flights of I.A.

*99 SHRI R MOHANARANGAM Will the Minister of TOURISM AND CIVIL AVIATION be pleased to state

- (2) whether it is a fact that there is a considerable disruption in the flights of Indian Airlines,
- (b) if 40, the extent of such disruption and the reasons therefor, and
- (c) the steps proposed for effective and efficient functioning of the airways?

THE MINISTER OF TOURISM AND CIVII AVIATION (SHRI PURUSHOTIAM KAUSHIK) (a) and (b). Yes, Sir There have been some disruptions in flighs of Indian Airlines on account of the following reasons.—

- (1) Loss of a Boirg-737 aircraft each at Hyderabad and at Madris,
- (ii) Mandatory inspection of HS-748 free requiring grounding of one HS 743 aircraft,
- (111) Damage to one B nng -737 aircrast at Nagrai due to cattle-hit and
- (w) Damage to one HS 748 and Airbus which git involved in accidents at Mingalore and Calcutta 118 pectively
- (c) All avoidable delays and disruptions are periodally reviewed by a Fram. To avoid disruptions some fast mixing sparse and trained personnel are being made available at some of the stations. Imployed communication facilities like Goinpany Channels as being introduced by which aircraft in flight can inform ground personnel about the snag which can be attended to as soon as the aircraft lands.

Submission of Report on Gold Policy

*94 SHRI G M BANATWALLA SHRI MUKHTIAR SINGH MALIK

Will the DEPUTY PRIME MINISTER AND MINISTER OF FINANCE be pleased to lay a statement showing

(a) whether the High Powered Committee on Gold Policy has since submitted its report to the Government;
