\*1060 Shri D N Patodia -  
Shri R Barua.

Will the Minister of Food and Agriculture be pleased to state

(a) whether there have been increasing complaints about the discriminatory distribution of foodgrains in the drought-hit areas,

(b) if so, whether any kind of supervision has been devised by the Central Government to streamline the distribution pattern there and

(c) whether any special directions have been issued by the Central Government to State Governments concerned in this regard?

The Minister of State in the Ministry of Food, Agriculture, Community Development and Co-operation (Shri Anna saheb Shinde) (a) The Government, of the scarcity affected States of Bihar Gujarat Madhya Pradesh, Rajasthan Uttar Pradesh and West Bengal were addressed in the matter. The Governments of Bihar Gujarat, Rajasthan Uttar Pradesh and West Bengal have stated that no specific complaints regarding discriminatory distribution of foodgrains have been received. A reply from Madhya Pradesh is awaited.

(b) and (c) The distribution of foodgrains is entirely the responsibility of the State Governments and no supervision is exercised by the Central Government. However any defects in the public distribution system coming to the notice of the Central Government are brought to the notice of the State Governments.

(b) if so, the findings of the study,

(c) whether Inland Water Transport Directorate has any scheme to handle

the projected Inland Water Transport Traffic, and

(d) whether the scheme would cover the full utilisation of Push Tugs and barges (and not barrages as appearing in the Question) of the Ganga Brahmaputra Water Transport Board.

The Minister of Transport and Shipping (Dr V K R V Rao) (a) to (d) A statement is laid on the Table of the House [Placed in Library. See No LT 978/67].

### Sugar Industry in UP

\*1062 Shri Marandi  
Shri Kameshwar Singh

Will the Minister of Food and Agriculture be pleased to state

(a) whether it is a fact that in Uttar Pradesh sugarcane areas are likely to be brought under foodgrains production from the kharif season,

(b) if so the reasons therefor and the total land to be so brought under cultivation

(c) whether it is also a fact that the experts have pointed out that this will greatly affect the sugar production in Uttar Pradesh and

(d) if so, the steps being taken in this regard?

The Minister of State in the Ministry of Food, Agriculture, Community Development and Co-operation (Shri Anna saheb Shinde): (a) and (b) The information is not available with us.

(c) No such report from any expert has been received so far.

(d) Does not arise.

### Allocation of Fertiliser to Madras

(a) whether it is a fact that the fertiliser allocated to Madras for 1967-68 is only half of what the State Government have asked for;

(b) whether Government are aware of the herculean efforts being made in Madras to substantially boost the output of foodgrains within a short span of one year, and

(c) if so, whether the promised quota of fertiliser will be made available to them at the right time?

The Minister of State in the Ministry of Food, Agriculture, Community Development and Co-operation (Shri Annasahib Shinde): (a) No, Sir

(b) Yes, Sir An additional allotment of 10 000 tonnes of Nitrogen has been made to Madras State for the period July to September, 1967 to meet the needs of additional areas brought under the High-Yielding Varieties Programme in that State

(c) Yes, Sir

#### Re-Routing of Suez Bound Ships

\*1064 Shri Kameshwar Singh.  
Shri Sequeira:

Will the Minister of Food and Agriculture be pleased to state

(a) whether any steps have been taken by Government to see that the re-routing of Suez bound ships does not disrupt unloading due to congestion in our ports, with special reference to food shipments, and

(b) if so, the week-wise arrivals of food shipments expected at each of the major ports in the next eight weeks and the steps taken to ensure speedy and regular unloading?

The Minister of State in the Ministry of Food, Agriculture, Community Development and Co-operation (Shri Annasahib Shinde): (a) and (b) Because of the closure of the Suez Canal and delay in the arrival of vessels on the high seas which had to be re-routed via the Cape of Good Hope, bunching of vessels at the various ports is expected particularly during the second week of July 1967. This was unavoidable. The total handling capacity at our different ports even during the monsoon months being between 8 lakhs and 9 lakhs tonnes of foodgrains, a few vessels may experience delays in

berthing. No insurmountable difficulties in handling the major portion of these arrivals are, however, anticipated. Steps will be taken to secure more berths for foodgrains vessels at the major ports and also to take up over-side and mid-stream discharge of some of the foodgrains vessels in order to step up the handling capacity at the ports. Almost all the ports in the country, where foodgrains vessels can be handled even during the monsoons, will be fully utilised. A statement is laid on the table of the House showing the expected week-wise arrivals of food shipments at each of the ports during the month of July 1967 [Placed in Library See No LT-979/67]. Such information about the arrivals during the month of August 1967 is not fully available at yet.
