SHRI MANORANJAN BHAKTA (Andaman-Nicobar): Mr. Speaker, Sir, I have received information that the MD Soloman Vessel belonging to the Tribals Cooperative Society of Car Nicobar has been grounded near Sagar Island. And since the last eight days, in spite of their best efforts, the Calcutta Port Trust Authority, CIWTC and other agencies are not extending any kind of assistance for salvaging that vessel. The Vessel has got a full load of cargo and there are crew members aboard that Vessel. They are running from pillar to post to get all kind of assistance for the salvage of the Vessel. But, unfortunately, no instruction has been given from the Central Government or any other authority to extend this facility. I would like to draw the attention of the House, particularly Shri Arjun Singh to this aspect, who is present here. It is a question of life and death. The tribals, particularly the Tribals Cooperative Society has acquired with great difficulty this Vessel. The Vessel is now in difficulty. So, instructions should be issued to the Chairman, Calcutta Port Trust and also the Chairman, CIWTC, to render all kind of assistance so that the crew members can be salvaged, the Vessel can be salvaged and the Tribals Cooperative Society can also be salvaged.

MR. SPEAKER: You have requested more than once.

SHRI MANORANJAN BHAKTA: I urge upon the Government to issue the instructions immediately. This is a serious matter. The Vessel has been grounded and the crew members are there.

SHRI ARJUN SINGH: You kindly come

to me. I will get the details and bring them to the notice of the hon. Minister.

SHRI SOBHANA DREESWARA RAO VADDE (Vijayawada): Through you I draw the attention of the Government to a very longstanding demand of a very large number of people for setting up a UPSC examination centre at Vijayawada. A very large number of educational institutions are located in the coastal Andhra. And many people, especially the candidates, who have to appear in the UPSC examination, are expected to go to Hyderabad and spend a lot of money. There is a long standing representation before the Government. I urge upon the Government through you to examine that aspect and take necessary steps to sanction an examination centre to conduct UPSC examinations at Vijayawada.

SHRI ARVIND NETAM (Kanker): Mr. Speaker, Sir, everyday a large number of people are dying of cholera in the Chattisgarh region of Madhya Pradesh, particularly in Bastar, Raipur and Durg districts. Doctors and medicines are not available in most of the remote areas. Even where the medicines are available, it has been found that they were ineffective. In the absence of Doctors and Medicines, the State Government is finding itself in a helpless situation so far as providing relief to the patients is concerned. If the disease is not checked in time, chances are that the situation may get out of control. Through you, I request the Prime Minister to provide all possible central assistance on the form of doctors and medicines immediately, to provide relief to the affected. I would also request the hon. Minister of Health to visit the Chattisgarh region, like he visited Himachal Pradesh, to oversee that the people receive immediate relief.

SHRI ANNA JOSHI (Pune): Two former UP Ministers had links with the controversial Bank of Credit and Commerce International (BCCI). The State Government had been informed about the Ministers' links about two years ago, but the Congress

Government chose to ignore it, according to reports.

Sources informed that the intelligence Bureau in a 'top secret' report gave details of the BCCI's clandestine activities and advised that steps should be taken to keep a watch on people having links with it.

The IB report said that the bank's founder, \* halled from Sitapur district of UP and had later settle down in Pakistan.

MR. SPEAKER: Would you like to discuss this Bank every day when it is decided that it will be put in the BAC?

SHRI ANNA JOSHI: There is a new point.

MR. SPEAKER: All those new points can come up at one and the same time.

SHRI ANNA JOSHI: I am asking for a discussion on this point.

MR. SPEAKER: If we are discussing only one point, the other points are left out.

SHRI ANNA JOSHI: This is a new point, Sir.

MR. SPEAKER: This new point also you can discuss at one and the same time.

SHRI ANNA JOSHI: \* had links with some people and one of them was a Minister at that time. The reports mentioned about links in this connection.

MR. SPEAKER: How do we allow these names to go on record? How do they defend themselves here?

SHRI ANNA JOSHI: Through you I request that, as it is a serious matter it should be taken up for discussion.

SHRI HARADHAN ROY (Asansol): Many essential medicines including life-

saving drugs are not available as the manufacturers are refusing to produce the medicines because of the cost problem and there is a tussle between the Central Government and the manufacturers. So, they are not producing these medicines.

I strongly request the Government of India to see that these medicines are produced in their own units. Some of these life-saving drugs can be produced in the Central Government units i.e. IDPL and the State Government units can also produce some of them. Because these medicines are essential to the people, they are running from pillar to post for these medicines. It is very difficult to procure them. The Government should take note of it and try to supply them to the people.

MR. SPEAKER: Very good.

SHRI BRISHIN PATEL (Siwan): Mr. Speaker, Sir, one has to go via Motihari and Muzaffarpur to reach the Nepalese Border town of Raxaul from Patna. Another road Bettiah Road, goes Via Hajipur, Lalganj and Rekhaghat. Now, if this road is included in the National Highway, it will reduce the distance between Bihar's capital and Raxaul by 70 kilometres. This road is very important from the strategic point of view as well. Therefore, through you, I request the Union Government to include this road in the a national highway without any delay.

SHRI KODIKKUNIL SURESH (Adoor): Mr. Speaker, Sir, I would like to raise the following matter of public importance with your permission.

In Kerala lakhs of people are working in cashew fields. In my constituency there are more than 40 cashewnut factories working. Two lakhs of people are working there. Their condition is very deplorable as a result of
