reserved for the small-scale industrial sector, then also it is put up.

Shri Indrajit Gupta: My question is with reference to this.

Shri Hem Barua: If you look into part (b) of the original question, you will see, Sir, that Shri Hanerjee's question arises out of this.

Mr. Speaker: If he answers, I have no objection He has already answered in the Rajya Sabha, he can say that

Shri F. A. Akmed: So far as pa-t (b) of the question is concerned, what is required is, the name of the six new industries which have been put on the banned list, and the names of the other industries which have been put on the banned list are also included. I have placed the entire list, covering both the items

SHORT NOTICE QUESTION

Drought Relief Loans to N.C D.C. Employees

+

SNQ. 25. Shri P. R. Ghosh:
Shri Valmiki Choudhery:
Shri Kartik Oraon.
Shri Yamuna Prasad
Mandal:

Will the Minister of Steel, Mines and Metals be pleased to tate

- (a) whether drought relief loans have been paid to the employees of the National Coal Development Corporation.
 Ranchi;
- (b) if not, whether Government propose to pay the same; and

(c) if so, by when?

The Minister of Steel, Mines and Metals (Dr. Chenna Reddy): (a) Not yet, Sir.

(b) and (c) Yes, Sir At an early date in the fields, and as soon as possible after normalcy is restored at the headquarter of the Corporation.

Shri P. K. Ghosh: It would have been possible to persuade the employees in the headquarters to end the pen down strike on the assurance that drought-relief loan would be given to them as soon as normalcy is restored, but the management on the 23rd June, under instructions from the Minister himself, issued notice of termination of the services of five of the employees of the Gidi collieries who are members of the association, therefore the agitation in the headquarters also aggravated in the Gidi collieries, the strike started on 27th June. 1967 In the circumstances, I would like to know whether the Minister would withdraw the termination of the notice, or at least keep this notice in abeyance in order to restore normalcy there

Dr. Chenna Reddy: The question of dismissal or removal of the workers from the Gidi coiliery has not been brought to the Ministry's notice nor any decision was taken at the Minister's level It has however been reported that five workers' case is pending Some proceedings against them are pending for the last several months, and action has been taken, and on that issue, the NCOEA and the management have been negotiating and they wanted the order to be kept pending, and the management do not find it possible, because the action was taken after consideration. It has not come to the notice of the Ministry.

With your permission, for the information of the House, I may say this: as the House is agitated over this, and as things are not very good in the NCDC, and the affairs are not very bright, it has been decided to apposit to our of the committee of enquiry. The composition of the committee of enquiry and

the terms of reference are being finalised, and very soon, it will also be placed on the Table of the House.

Shri Hem Barua: On a point of order. I just wanted a direction from you. This was very widely reported in the papers. When this matter was brought to the notice of the Hon. Minister,—it was brought to his notice by the Hon Member of this House himself.—

Mr. Speaker: That has nothing to do with this

Shri Hem Barua: Will you kindly instruct the Minister not to insult any Member of this House?

Shri D. C. Sharma: It should not be done on the floor of the House (Interruption)

Shri P. K. Ghosh: When representatives of the union came down to Delhi and wanted to hand over to the Minister a representation in connection with the implementation of the assurance given in the past, the Minister, instead of giving them a patient hearing, misbehaved. (Interruption).

Shri Hem Barua: Sir, my point of order arises there

Mr. Speaker: You do not even allow him a chance to complete his question.

Shri P. K. Ghosh: ... and that is one of the reasons for the present strike and unrest in the collieries. The Minister said he is going to appoint a committee. It will take a l ng time for the committee to decide how the present labour disputes should be settled. Therefore, will the Minister himself go to Ranchi, hear the inion representatives, find out what are the past commitments which the management has not fulfilled and try to implement them as soon as possible, so that the present unrest can be brought to an end?

Shri Hess Barua: Since Mr. Ghosh himself has said that he was insulted by the Minister, it is up to you to give us protection. You are the custodian of the rights and privileges of the mem-

bers of the House. If you do not protect us, who will protect us?

Mr. Speaker: Let us hear the reply first.

Dr. Chenna Reddy: The Hon Member said that when the labour organisation's representatives came and saw me, I did not give them a patient hearing. It was sometime in May when some of the representatives came and the whole point was discussed-They wanted to insist that they should be given the representative character and recognised as representing 65,000 labourers who are under the control of INTUC I told them categorically that as far as the matters relating to the NCDC head office is concerned, which the organisation represents, the matters can be examined. But as far as the INTUC is concerned, it will not be proper for me to recognise them and allow them to sign or talk on behalf of those employees About going into details, the Board has gone into it and one of the points considered by the Board was the drought advance to be given to them. Out of 52 de-mands, about 16 or 17 have been conceded and the Board has also communicated it to the labourers According to the latest report I got yesterday, the situation is fairly normal and very few workers are now on strike.

Shri P. K. Ghosh: What about the minister going to Ranchi?

Dr. Cheana Roddy: This is a matter which should be left to the Board The Board is an autonomous body Only when they seek the guidance of the Ministry, the Ministry will come in It is not that in all such cases we go directly to the Ranchi headquarters every time and deal with it. It all depends on the circumstances.

Shri Hem Barua: What about insulting the member?

Dr. Chenna Reddy: Mr. Ghosh did not say about him; he said about the treatment given to the workers, to which I have already replied. Mr Speaker: Mr Banerjee

Shri S M Bancrico: If they have compromised, it is all right

भी धनुना प्रसाद मंडल मन्त्री महोदय ने बताया है कि वहां की विस्कोटक स्थिति धव उनके काबू में हैं। यह प्रसम्नता की बात है। मन्त्री महोदय ने यह भी कहां है कि वह जाव के लिए एक कमेटी एपायट कर रहे हैं। मैं निवेदन करना चाहता ह कि इसमें शीधाता होनी चाहिए। सारे भारत को, मालूम है कि बहां की स्थिति कैसी है। वहां की स्थिति और पूरे बिहार राज्य की स्थिति बहुत दयनीय है। इस स्थिति में वह थोडी शीधाता करे। चतुर्यं वगं के कार्यकर्ताओं के सम्बन्ध में बडी सहा-नूष्रति की जरूरत है। मैं यह भी जानना बाहता हू कि यह काम कब तक पूरा कर लिया जायेगा।

डा॰ बंका देइडी एन्स्वायरी के लिए खो कमेटी मुकरंर की जायेगी, वह अपना काम बहुत जल्द—मेरा अन्दाज है कि दो तीन महीने मे—पूरा कर लेगी। लेकिन उस दौरान में इस काम में कोई क्कावट नहीं होगी। लेबर के मामलात, एलाउस देन के मामलात और रोज-मर्रा के काम सब बराबर जारी रहेंगे और बोर्ड—और जरूरत के मुताबिक मिनिस्ट्री भी—उस काम की जान करेगी।

Shri 8 M Banerjee Sir, the Hon Minister is aware that practically every day we are receiving three telegrams and we are passing them on to him Even today we have received a telegram saying that there is going to be a general strike and that the office bearers have been dismissed from service I would like to know from the Hon Minister, since a Commission or a Committee of Inquiry has been appointed, whether status quo ante will be maintained and all those discharges or dismissals will be kept in abeyance without any action being taken till this Committee gives a report, because we know from the telegrams received from the employees' side that all is not well in NCDC about which a serious probe is necessary?

Dr. Chenna Roddy This question relates obviously to the dismissal of five workers in Gidi Colliery to which a reference has been made earlier. In fact, the report that I gut from the Ministry is that after taking proper proceedings provided under the rules five workers have been dismissed. The head office organisation, the NCOEA insisted that these orders should be kept pending, but the management has refused to do that because action has been taken as provided under the rules This matter, therefore, is with them and under consideration. The hon Member was kind enough to pass on to me the telegrams that he received, but I hope he will also remember that I acknowledged them and also informed him that I have asked the Ministry to further enquire into the matter and see if anything can be done at this end

Mr Speaker The hon Member asked whether status quo would be maintained

Dr Chenna Reddy Status quo as I understand it, unless there is any other possible interpretation which I am not aware of at 'he moment, would mean, after the dismissal orders have been passed and action taken under the rules only this I do not think any other interpretation is possible

श्री बिसूति भिश्र भण्यक जी, मजी ने कहा कि भाटोनामस बाडी बाडी है लेकिन सावरेन बाडी तो नहीं है, भाटोनोमस बाडी है। भाटोनामस तो हमीने, पालियामेंट ने बनाया है दूसरी बात यह है कि डेढ भरव घपया इस में खर्चा हुमा है इस के उत्पर और भाज हालत यह है कि कामाख्या नारायण सिंह का को कोलियरी है उस में जहां जिस अभीन पर कोयला रखा गया था, बहुां की भिटी तक बोद कर से गये तो क्या बात है कि एन की वीठ सीठ का कोल पड़ा है और कोल जा नहीं रहा है? और यह (व्यवकान) सुन तो लीजिये। माप का डेढ भरव ब्यव इस पर खर्चा हुमा है और पालियामेंट का व्यव रोज खर्च होता है। इनके को समझहर

हैं, जिनको घाटोनासस बाडी बताते हैं एनको मजबूरों के साथ धंण्छा व्यवहार नहीं होता है भीर यह बादंट लोन तक देने के लिये तैयार नहीं हैं रिलीफ को कौन पूछे ? तो मैं जानना चाहता हूं कि यह सरकार वहा के मजबूरों के देस्ट इन्टरेस्ट में, और घपने देस्ट इन्टरेस्ट में क्या कार्यवाही करने जा रही है ? जैसे उन्होंने कहा वह बोर्ड देखेगा तो मैं जानना चाहता हूं कि बोर्ड के बजाय मिनिस्टर हैं, यह पालियामेट सावरेन वाडी है, तो वहां का मामला भ्राप तय करना चाहते हैं या नहीं करना चाहते हैं ?

. KOLG7

श्री चेन्नारेडडी मैं ने कभी भी यह नहीं कहा कि एन असी अही असी अया इस किस्म की कोई भी भीर पब्लिक बाडी सावरेन बाढी है। ब्राटोनामस के माने सिर्फ इतने ही है कि कुछ हद तक जो उन के रोजमर्रा के मामले हैं उन को वह भपने तौर पर देखें भौर जब मामला पेचीदा हो जाता है, अगड़ा होता है तो या तो वह रेफर करेग तब हम खुद उस को करेगे। चनांचे मैंने अर्थ किया कि गवर्नमेट ने एक कमेटी ऐसी मुकर्रर करने का निश्चय किया है जो उस के सारे मामले देखेगी कि क्यो वहा का मामला ठीक नहीं हो रहा है, क्यो एकोनामी नहीं हो रही है, क्यो प्राफिट नहीं हो रहा है ? इन सब बातो पर जाच पडताल करने की जिम्मेदारी धीर ग्रधिकार गवर्नमेट को हैं। बह मैं मानता ह ।

बी बिभूति निष्य प्रध्यक्ष महोदय , यह ब्राउट लोन का मामला जल्दी तय होना बाहिए, कमेटी तो आब करेगी उस मे छः महीने सग जायेगी लेकिन मैं जानना चाहता डू कि ब्राउट लोन का मामला क्या भाष जल्दी तय करेंगे ?

बी केला रेड्डी: ब्राउट लोन का इस कवेटी से कोई ताल्लुक नहीं है वह मैं पहले ही धर्च कर चुका हूं कि वह फैसला हो चुका हूं और इम्म्लीबेंट किया जा रहा है। सिर्फ एन० सी० भी० ई० ए० की तरफ से यह है
कि जो लोग इल्लीगल स्ट्राइक में इस वहन
है उनका अभी एका है क्योंकि यह लोन देना
है, ग्रान्ट नहीं है और लोन देने के वक्त मे
स्योरिटी वगैरह लेकर दस्तावेजों को
कम्पलीट करने की जिम्मेदारी होती है
स्ट्राइक के जमाने मे उस पर अमल करना
मुश्किल हो जाता है इसलिए यह है और बाकी
कोल फील्ड में जो वर्क कर रहे हैं उन को यह
दिया जा रहा है।

Shri Indrajit Gupta: In his original reply the hon Minister has stated that the situation was returning to normal and that very few employees are now on strike. That is what he said, I think May I ask him whether it is not a fact that the employees of the Drilling and Geological Division of NCDC, who are not on strike, have only a day or two ago served a fresh strike notice on the authorities and that they propose to go on strike on the same question of victimisation and insecurity of service?

Dr. Chenna Reddy. The original stand that was taken by the NCDC Headquarters Employees' Association was regarding the several demands that they had made including the payment of bonus for 1965 and preceding years That is a different case The reports were that the number of workers that are on strike and creating gherao and other things has considerably reduced. That is what I meant. Regarding the Hon Member's reference to Gidi Colliery of which five employees have been dismissed, I have explained in detail. What further developments are taking place, I am not at the moment aware of them.

Shri Indrajit Gupta: I d'J not ask about Gidi Colliery.

Mr Speaker: Earlier he answered about the other things also.

Shri Indrajit Gupta: I asked specifically about the employees of the Drilling and Geological Division of NCDC, whether they have served a strike notice or not.

Dr. Chenna Reddy: I am not aware of 14 . KUL 14 . 13

Shri Tridib Kumar Chandhuri: The hon Minister has informed us that he is going to appoint an inquiry committee which would go into the affairs of the NCDC so far as the financial irregularities and their not earning any profits are concerned, these aspects of the question would be inquired into May I know if the terms of reference of the committee would also include labour relations because 11 seems, apart from all the other espects, labour relations are also in a very sorry state? Will the committee also look into that aspect of the question?

Dr. Chenna Reddy: The terms of reference are under preparation and we are proposing to make them as comprehensive as possible But I would like to state, with your permission, one thing and that is that labour relations in this undertaking are not anything different or isolated from what labour relations we have in all the other public sector undertakings So, that is a general question

भी जार्ज फर्नेन्डीज प्रध्यक्ष महोदय जबाब से ऐसा मालुम होता है कि जो उनका प्रयास रहा हडताल को वोडने का उस मे कुछ कामयाबी पा रहे है। प्रश्न यह है कि वहा पर इस बक्त मजदर ग्रीर मालिको के बीच मे एक बहुत ही बिगडा हुआ। रिक्ता है उस को सुधारने की दृष्टि से ग्रीर जो उन की चास और बनियादी माग है कि कर्जी उन को दिया जाय जो बिहार के और तमाम केन्द्रीय सरकार के कर्म चारियो भौर इसरे कर्मचारियों को दिया गया उस कर्ज को देने के बारे में मजी महोदय की क्या नीति है भीर झगड़े को हमेशा के लिए मिटाने के लिए वह क्या कर रहे हैं?

का विम्ला रेडडी फर्स्ट सवाल का जबाब ही जो रिटेन पढ़ा है उस मे मैंने यह बताया है कि इस किस्म के लोग देने का बॉर्ड ने 24 बून की डिसाइड किया है और फील्ड म जो नवर काम कर रहे है उन को

बैतेका धीर वाकी कोवीं का स्टाइक से बापस बाते ही देने का निज्ञान किया है. यह सैंने कहा। जहां तक प्रास सुधार लाने के बारे में. लेबर धीर मैनेक्सेंट के रिलेशनशिप में सुधार लाने का सवाल हैं वह बहुत जरूरी है धीर धावस्थक है भीर उस सम्बन्ध में जो भी काम कर सकते हैं बोर्ड वाले या मिनिस्टी बासे बहजरूर करेगे।

Oral Answers

Shri K. M. Abraham: The Hon Minister has stated that the majority of workers have returned to duty May I know from the Minister the number of workers now on strike and the number of workers who are on hunger strike?

Dr. Chenna Reddy: I do not have those figures

भी द० ना० तिवारी यह पश्लिक सेक्टर भीर लेबर का सगढ़ा है भीर उस में जो कुछ भी पब्लिक सेक्टर के बफसर करेगे उसमे लेबर को कान्फिडेस नही होगा तो क्या मत्री महोदय इस बात का विचार रखते है कि इस को लेबर मिनिस्टी को दे दिया जाय भीर वही इस मामले को अल्ड से जल्ड तय कर हें?

डा० चेन्ना रेड्डी चैसा कि भानरेडल मेम्बर जानते है कि ऐसा मामला जहां मैनज-मेंट धौर लेबर में समझौता नहीं होने पाता बहा लेबर की पूरी मशीनरी कसीलिएशन प्रोसीडिंग्स, ऐडवडिकेशन भौर सारी मसीनरी की पूरी सपोर्टली जाती है और उन का इस्तेमाल उस में घाता है घीर इय तरह इस में भी इस्तेमाल किया गया है।

Shri Banga: May we take it that, in the light of what the hon. Minister has said in regard to the terms of reference of the committee, the special circumstances that are vitiating the relations between labour and management here would also be studied by that inquiry committee and necessary recommendations would be made for improvement of the enaditions there? Dr. Obsume Refely: As I said, this will be a very comprehensive basis on which the Committee will be asked to examine the details including productivity, over-staffing, economy and all other things and also the point raised by the hon Member about the labour-management relationship and will try to implement them as far as possible

बी कथर लाल गुन्त े मिनिस्टर सारव को मालूम है कि यहाँ पर स्रोवस पोवलम बहुत मक्त रहती है। क्या सापके नोटिस में ऐमें केसेज भाये है जहा वायरलेंस हुआ है, गडवड हुई हं लेवर की सरफ से श्रियर वे भायें है ता उनकी तफ-सील क्या है और माइन्दावायल न ही, इप-बारे में भाप क्या कार्यवाही करना चाहते हैं?

डा॰ बन्ना रेड्डी इस मामले मे घेराव हुमा, कमरी के मन्दर सुबह 9 बजे से लेकर ज्ञाम को 6 बजे तक मसलसल तौर पर बन्द रखा स्लोगन लगाये गये, एक्टिंग मैनेजिंग डाइरॅक्टर पर चूकने

Shri S. M. Banerjee: And you employ goondas (Interruptions) Let there be an enquiry about it.

Mr. Speaker: Order, order

Shri P. K. Ghesh. Instead of he himself going deep into the matter, he is being guided by the reports given to him by the officials
