**ANSWER**

**MINISTER IN THE MINISTRY OF CHEMICALS AND FERTILIZERS**

**(SHRI D. V. SADANANDA GOWDA)**

---

(a) & (b) Yes Sir. As on 17.06.2019, 459 PMBJKs are functional in the State of Kerala. List of such PMBJKs alongwith their addresses and contact details is available at annexure. The list is also available on the website of Bureau of Pharma PSUs of India (BPPI) i.e. [www.janaushadhi.gov.in](http://www.janaushadhi.gov.in).

(c) Performance of 'Pradhan Mantri Bhartiya Janaushadhi Pariyojana (PMBJP) is regularly reviewed by the Department of Pharmaceuticals. Various decisions have been taken as a result of such reviews and also implemented for improving the performance of the scheme. For example, a bottleneck in logistics and supply chain was observed. As a result, it was decided to implement end-to-end supply chain system where drugs are directly delivered to stores from the Central/Regional warehouses instead of routing these through Clearing & Forwarding (C&F) agents and distributors.

Further, it was also noticed that store owners were not getting regular financial incentives. As a result, mandatory requirement of sales through centralized software was omitted and backlog of due incentives was cleared. Disbursement of due incentives to PMBJK owners is being done regularly now.

(d) & (e) Information Technology (IT) enabled End-to-End supply chain system with Point-of-Sale (POS) application for value added services has been implemented in

PMBJP. At present, direct supplies to Kendras has started from the centralized/regional warehouses at Gurugram, Bengaluru, and Guwahati. In addition to the option of getting supplies directly from central/regional warehouses, the PMBJK owners also can get supplies through the distributors, appointed under the scheme.

(f) List of PMBJKs functioning in Kerala alongwith their addresses and contact details is available at annexure.

Annexure

Statement referred to in part (b)& part(f) of of Lok Sabha Unstarred Q. No. 438 for 25.06.2019 raised by SHRIMATI
