ANSWER
MINISTER OF RURAL DEVELOPMENT
(SHRI NARENDRA SINGH TOMAR)

(a): According to the Socio Economic and Caste Census 2011 (SECC 2011), in Tamil Nadu, there are 38,549 households that are categorized as automatically included and 47,04,939 households as deprived.

(b): Selection of beneficiaries under Pradhan Mantri Awas Yojana-Gramin (PMAY-G) is based on housing deprivation parameters of SECC, 2011 subject to 13 point exclusion criteria followed by Gram Sabha verification. Households that are houseless or having zero, one or two room kutcha house (kutcha wall and kutcha roof) are provided financial assistance for construction of pucca house under PMAY-G. Under PMAY-G, a total of 5,27,552 houses has been allotted to the State of Tamil Nadu during the last three years and the current year. The district-wise details are given in **Annexure-I**.

(c) to (e): Yes. In order to include eligible households, who could not be included in the Permanent Wait List (PWL) of PMAY-G, Ministry of Rural Development has developed Awaas+ App for States to upload details of such identified potential households. A separate list of households affected by Gaza Cyclone has also been uploaded by the State on Awaas+ since they did not find any mention in PWL or Awaas+ earlier. The district-wise details on the data uploaded by Tamil Nadu are given in **Annexure-II**. An Expert Committee in the Ministry of Rural Development is analyzing the data uploaded by the States in Awaas+.
