

cause the frequency of trains is 15 to 20 minutes and normally the railway level crossing remains closed. It causes great inconvenience to the people of the area. (*Interruptions*)

MR. SPEAKER: This type of matters cannot be raised in the House. You are simply misusing the time allotted to you.

SHRI PRABHU DAYAL KATHERIA: Sometimes the patients in serious conditions could be immediately rushed to the hospitals resulting in untimely deaths and expectant mothers also could not be provided medical aid resulting in complications of delivery cases. Therefore, I urge the Government to sanction construction of an overbridge, instead of bridge to mitigate the sufferings of the people of the area.

SHRI KODIKKUNIL SURESH (Adoor): Sir, in Kerala, in the last four months about hundred cashew nut factories were closed due to shortage of raw cashew nut with the result that thousands of labourers lost their jobs and are facing starvation and other difficulties. In fact the production of raw cashew nut last year in my constituency and particularly in Kollam district which is the centre of cashew nut factories was very less. The previous Government in Kerala completely failed to collect the raw cashewnuts in the State. Therefore the employees are facing miserable conditions. I would request the Government of India to intervene in this matter and permit the State Government of Kerala to import raw cashew nut and to remove the Reserve Bank of India's restrictions in this regard so that the raw cashew nut could be imported. (*Interruptions*)

SHRI TEJ NARAYAN SINGH (Buxar): Mr. Speaker, Sir, under the Naubarar Trivedi

award, Umarpur Diara and West Umarpur Diara of Bihar have been transferred to Uttar Pradesh. In that area about 5,000 farmers are living who build house on other's land and live there. When this village was Governed by the government of Bihar, the villagers not possessing land were issued tenancy papers under the Bihar Tenancy Act and they were given right to share-cropping but since the village has been transferred to Uttar Pradesh under the Trivedi Award, the Government of Uttar Pradesh did away with their share-cropping right and new papers are being issued to them. On a visit to the side the officials found the homes of farmers already built there and their right to share cropping. They have got papers now. Recently on a visit the Revenue Minister of Uttar Pradesh promised the farmers of the village that all the papers issued to them will be cancelled.

Sir, through you, I would like to request the Government of India to protect the tenancy rights conferred on the 5000 poor share cropping farmers living in the village for a very long time and they have been issued tenancy papers by the two State Governments of Bihar and Uttar Pradesh, Under the Bihar Tenancy Act and the Uttar Pradesh Tenancy Act. If the Government of India does not protect the rights of these persons, the Government of Uttar Pradesh will not protect the rights of these persons, the Government of Uttar Pradesh will not protect their rights.

MR. SPEAKER: This matter does not come under the purview of the Central Government.
