

LOK SABHA
STARRED QUESTION NO.*187
FOR ANSWER ON 02/12/2019

STEEL BASED INDUSTRIES

*187. DR. RAMAPATI RAM TRIPATHI:

Will the Minister of STEEL be pleased to state:

- (a) the total number of steel based industries in the country, State-wise;
- (b) the volume of export and import of raw steel and steel products during the last three years;
- (c) the plant-wise details of the estimated volume of raw coal and iron ore required for Government-owned steel plants for each of the next three years;
- (d) whether indigenous production volume of coal and iron ore is sufficient to meet the demands of the steel sector and if so, the details thereof; and
- (e) the volume of coal and iron supplied against their total demand?

ANSWER

THE MINISTER OF STEEL

(SHRI DHARMENDRA PRADHAN)

(a)to(e): A Statement is laid on the Table of the Lok Sabha.

STATEMENT REFERRED TO IN REPLY TO PARTS (A) TO (E) OF THE LOK SABHA STARRED QUESTION NO. *187 FOR ANSWER ON 02/12/2019 ASKED BY DR. RAMAPATI RAM TRIPATHI, MEMBER OF PARLIAMENT REGARDING “STEEL BASED INDUSTRIES”

(a) The total number of steel industry in the country in 2018-19 stood at 1217. State-wise details of existing steel industries is given at **Annexure**. Further, as per the newly launched ‘Steel Import Monitoring System’ (SIMS), for monitoring all steel imports in the country, its usage in all HS code tariff lines (industries) will be captured.

(b) Details of import & export of raw steel and steel products during last three years are given below:-

Year	Raw Steel & Steel Products (in mt)	
	Import	Export
2016-17	9.40	12.99
2017-18	9.89	15.41
2018-19	10.83	11.97

Source: JPC & DGFT; mt=million tonnes

(c) The details of requirement of iron ore and coking coal in respect of three CPSE companies for each of the next three years are as under:-

Financial Year	Requirement (in Million Tonnes)		
	Iron Ore	Coking Coal	
Steel Authority of India Limited (SAIL)	2020-21	33.825	18.45
	2021-22	34.65	18.90
	2022-23	35.475	19.35
Rashtriya Ispat Nigam Limited (RINL)	2020-21	11.6	5.56
	2021-22	12.1	6.03
	2022-23	12.1	5.68
Neelachal Ispat Nigam Limited (NINL)	2020-21	1.76	0.99
	2021-22	1.92	1.08
	2022-23	3.0	1.8

(d) The production of iron ore in the country is sufficient to meet the current demand/consumption by domestic steel industry. However, the entire demand of coking coal is not met from the domestic production as the supply of coking coal in the country is limited and thus no option is left but to resort to import of coking coal.

(e) The supply of iron ore during last year i.e. 2018-19 was 207.7 MT against its demand of 189 MT.

During 2018-19 the total demand of coking coal for steel industry was 58.37 MT. Out of this 54.80 MT were met through imports and 1.6 MT was provided by Bharat Coking Coal Limited (BCCL) and remaining was catered by SAIL and TATA Steel.

ANNEXURE

ANNEXURE AS REFERRED TO PARTS (A) OF THE STATEMENT OF LOK SABHA STARRED QUESTION NO. *187 FOR ANSWER ON 02/12/2019 TABLED BY DR. RAMAPATI RAM TRIPATHI MEMBER OF LOK SABHA REGARDING “STEEL BASED INDUSTRIES”
