- (a) 'Sports' being a State subject, the primary responsibility to establish sports academies rests with the State/Union Territory Governments. The Central Government supplements their efforts. However, under the "Support to National/Regional/State Sports Academies" vertical of the Khelo India Scheme, sports academies are accreditated and provided financial assistance by this Ministry for training of the Khelo India Athletes. A total of 237 sports academies have so far been accreditated across the country, including eight in Odisha. State/UT-wise details of the same are at Annexure.
- (b) to (d) No new proposal for accreditation has been received in this Ministry from the State of Odisha. However, accreditation of academies is a continuing process and sports academies are accreditated upon receiving expressions of interest from the State/Union Territory Governments after following the due process under the Khelo India Scheme.
