- (d) if so, the details thereof?

ANSWER

MINISTER OF STATE (INDEPENDENT CHARGE) FOR PORTS, SHIPPING AND WATERWAYS
(SHRI MANSUKH MANDAVIYA)

(a)&(b) Yes, Sir. Ministry of Ports, Shipping and Waterways circulated the 'guidelines for promoting floating jetties/platforms for various usages all along the Indian Coastline' to all the Major Ports, States Maritime Boards and coastal States/ UTs. This guideline sets out various technical aspects for implementation of Floating Jetties / Platforms for Marinas, Minor Harbors, Fishing Harbours, Fish landing centers, Waterdromes and such other similar facilities in coastal areas, estuaries, waterways, rivers and reservoirs.

(c) & (d) There are no relevant Indian or International standards, which can be directly relied upon while formulating the guidelines for the floating jetties/ platforms. However, the standard specifications, in these guidelines, are drawn on par with other International engineering practices in various countries.
