**MINISTER OF STATE (IC) FOR LABOUR AND EMPLOYMENT
(SHRI SANTOSH KUMAR GANGWAR)**

(a) to (d): Employment generation coupled with improving employability is the priority of the Government. Government has taken various steps for generating employment in the country like encouraging various projects involving substantial investment and increasing public expenditure on schemes like Prime Minister's Employment Generation Programme (PMEGP), Pt. Deen Dayal Upadhyaya Grameen Kaushalya Yojana (DDU-GKY), Mahatma Gandhi National Rural Employment Guarantee Scheme (MGNREGS), and Deendayal Antodaya Yojana-National Urban Livelihoods Mission (DAY-NULM) run by Ministry of Micro, Small & Medium Enterprises, Ministry of Rural Development and Ministry of Housing & Urban Affairs, respectively. Details of the employment generated through these schemes/ programmes are given at Annexure I, II, III, and IV respectively.

Government is implementing Pradhan Mantri Rojgar Protsahan Yojana (PMRPY) in the country since 2016 with the objective to incentivise employers for creation of new employment with social security benefits. As on 21st January 2021, benefits have been provided to 1.21 crore beneficiaries through 1.52 lakh establishments.

Pradhan Mantri Mudra Yojana (PMMY) was launched by Government in the year 2015-16 inter alia, for facilitating self-employment. Under PMMY, 28.36 crore number of loan accounts have been sanctioned upto 5th March 2021.

Besides these initiatives, flagship programmes of the Government such as Make in India, Digital India, Swachh Bharat Mission, Smart City Mission, Atal Mission for Rejuvenation and Urban Transformation, Housing for All, Infrastructure development and Industrial corridors have the potential to generate productive employment opportunities.
